## A Cup Of Cold Water -

In the aftermath of the triple disasters that hit Japan in March, there was a period of about one week where bottled water was scarce throughout the country and fears of contaminated radiated water was of grave concern to many of us. At that time, we realized yet again the importance of water and the relief it brings when you are very thirsty. We also realized the need for the right kind of water, it didn't matter that we had plenty of water coming out of the faucet, what mattered was drinking the right kind of water, the one that wasn't contaminated.

Since the disasters, many churches and ministries have been working tirelessly to bring that cup of cold water to those in the disaster region. We thank you for your continued prayers and financial support. Thank you for standing with us and for praying for us.

This week Jeremiah and Cali are again in the Tohoku region in the city of Ishinomaki. This summer has a busy one with Jeremiah leading many short term mission teams who are here for the summer. Recently, Jeremiah was leading a team of 10 men from Calvary Chapel San Diego. They were able to work with Samaritan's Purse in the city of Minami Sanriku, one of the cities so devastated by the tsunami that the city is still inhabitable to this day. It was a joy to work with this group not only in the disaster region but also locally as they hosted a VBS for our church.

This week, a team from Lemoore California, South Valley Community Church is here and doing a great job up in Ishinomaki. They are partnering up with Calvary Chapel Kokubunji, a Calvary Chapel church here in Japan for outreaches and relief work. Praise the Lord!

### **Things for prayer:**

1. For each member of the team to be guided by the Holy Spirit, moved with compassion, armed with the Truth and boldness, and directed to divine appointments. The work is also very labor intensive, please pray for strength and protection.
2. All the Christian ministries that are continuing to Labor Day in and day out. Please pray that they would "not lose heart in well doing." This week, our Tokyo Horizon group, along with the team from South Valley in Lemoore, is partnering with Calvary Chapel Kokubunji and Calvary Chapel Montebello.
3. Geigy and the kids will be helping with Operation Safe VBS camp hosted by CRASH Japan. Please pray for the children who will be attending to have their eyes and ears opened to the goodness of our Lord.
4. Next scheduled trip that Jeremiah will be leading will be on Aug. 1 - 4th. Please pray in advance for that trip and that God will lead them divinely and gift them supernaturally with wisdom and strength.

Thank you in advance for your prayers. We so appreciate them.
